Dear Mr. Gianulis:

On May 21, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 30, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response provided copies of checks and wire transfer notices for the DNC transfers reported as received by your committee. Even though your committee deposited the funds, the Federal Account of the DNC did not report making the transfer. It is your responsibility to insure the funds received are from permissible sources. If the funds in question were from the Non-Federal Account of the DNC, you should either transfer them out to your Non-Federal Account or refund them to the donor. Please confirm that the transfers were from the DNC Federal Account or inform the Commission of your corrective action in writing and provide a photocopy of your check for the transfer-out or refund.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Neil Evans on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", with a long horizontal flourish extending to the right.
